

Next steps agreed at the GRPE/ISO group of experts meeting on liquid hydrogen onboard storage systems held on 29 July 2002 in Munich, Germany

- The next meeting of the GRPE/ISO group of experts should be officially announced by the beginning of next week.
- Next meeting is to be held at the end of September in Montreal (either on 24, 25 , 26, 27 September – two day meeting).
- The group leaders will provide joint proposal on the remaining items to be discussed (one week before the meeting).
- The meeting will be held to resolve the open items.
- The results of the meeting will be distributed to the experts that could not attend the meeting (the week after the meeting). We should not expect many comments at this point.
- The revised EIHP draft regulations and the ISO draft standards should be distributed to the GRPE ad hoc group members one week prior to the GRPE ad hoc group meeting that is to be held on 14-15 November 2002.
